MEDIA ALERT: AMENDED TRAFFIC ADVISORY FOR IMMEDIATE RELEASE

DATE: 25 JUNE 2026

TRAFFIC ALERT: EXPECTED DISRUPTIONS IN JOHANNESBURG CBD & GLEN AUSTIN (MIDRAND) REDUCED TO TWO APPROVED MARCHES ON TUESDAY 30 JUNE 2026

The Johannesburg Metropolitan Police Department (JMPD) wishes to inform motorists, commuters, and the public of an update regarding the scheduled marches for Tuesday, 30 June 2026.

Please note that the Labour and Civic Organisation (LACO) has officially forwarded a notice cancelling their planned approved march. Consequently, there will now be **two legally approved marches** taking place concurrently across the Johannesburg Inner City/Hillbrow and Midrand (Glen Austin) areas, instead of the three previously announced.

Integrated law enforcement teams, including JMPD and SAPS Public Order Policing, will still be heavily deployed across the city to monitor routes, manage traffic, and maintain public safety. Traffic disruptions and delays are anticipated between 07:00 and 16:00. Law enforcement will remain on high alert before, during, and after the gatherings to swiftly respond to any spontaneous protests or pickets.

Motorists are strongly advised to avoid the affected streets and use alternative routes.
